Business Description

Cascade Outdoor Brands ("Cascade" or the "Company") is a premium designer and manufacturer of technical outdoor hardgoods — principally tents, backpacking shelters, and ultralight cookware — sold under two owned brands: Ridgeline (mid-market, \$95 ASP) and Summit Series (premium, \$285 ASP). Founded in 2009 by two former REI product managers, Cascade sells through a diversified omnichannel mix: DTC e-commerce (44%), specialty outdoor retail (REI, Backcountry, EVO; 38%), and international distributors across 22 countries (18%). The Company sources finished goods from 4 long-term manufacturing partners in Vietnam and Taiwan, complemented by a Colorado-based design and quality team of 28 engineers.

Investment Thesis

Two distinct brands spanning mid-market and premium outdoor segments

Key Investment Highlights

01

Two distinct brands spanning mid-market and premium outdoor segments

Ridgeline targets weekend campers and trail runners (ASP \$95); Summit Series serves thru-hikers and mountaineers (ASP \$285)

02

DTC-led omnichannel driving margin expansion and direct customer relationships

DTC e-commerce grew from 29% to 44% of revenue over 3 years; gross margin 15pp higher than wholesale channel

03

Proprietary material innovation with 3 patents and 2 pending

AeroShield™ fabric technology (2 patents): 22% lighter than competitive Dyneema composites at comparable strength; used in Summit Series shelters

04

International momentum with underpenetrated distribution in high-growth markets

International revenue +34% YoY, led by Germany, Japan, and Australia; 22 distributor relationships in place
